Dear Partner,

RE: CIE PROGRAMME PARTNERSHIP

Thank you for your interest in working with the Centre for Innovation and Entrepreneurship. CIE supports secondary-school students, university students and young founders as they move from a clearly framed problem to prototypes, evidence and responsible growth.

This letter confirms the intended scope of our conversation. Any programme dates, participation terms, partners, mentors and financial arrangements must be agreed in writing before they are presented as confirmed.

We look forward to defining a practical next step together.

Sincerely,
